PROFILE

Java Developer with 8 months of experience in building secure, scalable, and high-performance applications using **Spring Boot, JPA, and SQL**. Proficient in developing **RESTful microservices** and integrating modern frontend technologies like **React** and **Tailwind CSS**. Adept at writing clean, maintainable code and collaborating in agile, real-world project environments.

EXPERIENCE

DSD Systems Pvt Ltd Mar 2025 – present

Hospital Management System (OPD/IPD – Microservices)

- Developed **25+ REST APIs** for OPD, IPD, Doctor, Patient, Admin, and SuperAdmin modules.
- Implemented secure **JWT-based authentication**, reducing unauthorized access issues by **100%**.
- Added **DTO-based custom responses** and **pagination**, reducing response payload size by **30% (approx.)** and improving API efficiency.
- Optimized service logic to consistently achieve **100–500 ms response time** across critical endpoints.
- Integrated backend APIs with the **React.js** frontend, ensuring seamless data flow and smooth UI interactions.

DSD Systems Pvt Ltd Mar 2025 – present

Company Website Development

- Built a fully **responsive and interactive company website** using React and **Tailwind CSS**.
- Utilized libraries such as **React Router, Framer Motion, Lucide React, and React Icons** to enhance navigation, animations, and UI experience.
- Built a dynamic React form with cost estimation and integrated it with PHP backend for smooth data submission.

DSD Systems Pvt Ltd Mar 2025 – present

Billing System

- Designed the **billing database schema** and implemented secure JWT-based authentication.
- Added automated **cron jobs** to update live bills, reducing manual effort by **40%**.
- Developed **15+** comprehensive billing **APIs** for **OPD & IPD**, covering advance payments, live running bills, day-wise charge calculation, doctor visit fees, OT billing, and additional service charges.
- Integrated with OPD/IPD microservices using **RestTemplate** for real-time data sync.

SKILLS

Technical: JAVA, Spring-Boot, JPS, SQL, [React.js](#), JavaScript, Tailwind, J2EE.

Tools: Git, GitHub, Bitbucket, Postman, MySQL Workbench, Maven, Eclipse, VS Code.

EDUCATION

Bhai Parmanand DSEU Shakarpur Campus-2 2022 - 2024

- Master of Computer Applications (MCA)

Institute Of Technology And Science 2019 - 2022

- Bachelor of Computer Applications (BCA)

CERTIFICATION

- Java Full Stack Development Course – Ducat 2024
